ABOUT

401 ROZENDAL

Venturing inland from Cape Town, you will find yourself in the picturesque surrounds of the Cape Winelands. Known for its sweeping mountain views, unsurpassed wine-producers and top-notch culinary experiences, it forms the perfect backdrop for a beautiful wedding. In the heart of this scenic area, 11km from the town of Stellenbosch, lies 401 Rozendal – a wine farm with an undeniable country allure. The Joubert family has been farming here since the early 1900's with a deep respect for the land's cultivation at the centre of their legacy. Restoration to the old farm shed revealed a beautiful hidden aesthetic with old worldly charm. Keeping parts of the shed's original architecture intact helped to conserve its historic heritage and today the space functions as a modern-day wedding and event venue. It is nestled amongst the Stellenbosch mountain ranges and colourful vineyards creating a striking setting for your "never-to-be- forgotten" wedding.

OUR VENUE

The building's style is warm and inviting, capturing the essence of country living. The Cellar Dining room can seat up to 130 guests. The marriage between the historic remains of the original building and its clean, modern additions results in a venue that lends itself to many different wedding themes or decor styles and gives couples a chance to transform the space with their own creative vision. Besides the reception area and outdoor veranda/garden used as a lovely area for pre-drinks, the venue also offers an indoor chapel, a cosy lounge with a fireplace, dance space and a stylish bar. Various inclusions come standard; from on-the-day coordination to tables and chairs. We also work closely with several industry suppliers that share the same passion and attention-to-detail for their craft to ensure that the wedding of your dreams is a seamless and stress-free event. For bigger functions, a Bedouin tent can be added to the veranda to seat 160 to 180 guests. The lawn area can accommodate even bigger gatherings with a free-standing Bedouin or Marquee tent that can be hired additionally with the assistance of the Venue Manager.

OUR FOOD & WINE

Two Chefs, 401 Rozendal's on-site catering company, is celebrated for their outstanding presentation, personal touch and delicious food options. Tailoring a menu to suit each client's specific taste, event style and budget. Eight different cultivars grown on the farm, produce excellent wines that can be paired to perfection with the chef's culinary creations. For clients who would like to source their own wine, a standard corkage fee per bottle applies.

REFUNDABLE SECURITY DEPOSIT

Please note that an additional refundable security deposit to the amount of R6 000 will be charged two - three weeks prior to your function. The balance will be refunded within one week after the function.

ABOUT

THE WEDDING PLANNER

Tarryn Kidd, creator of Marry Me by TK. Originally from Hout Bay, a small fishing village nestled in the slopes and mountains of Cape Town, South Africa, where the ocean and white sands are forever changing. This was her first introduction to the wonders and magic of Nature. Her love for the outdoors inspires her creativity, love and passion for all things beautiful.

In 2008, she was given the opportunity to host and serve some of the world's most elite clients at The PGA Golf Championships in the United States of America. It was at this prestigious event that her passion for Events Planning was born.

In 2016, she began planning and organizing events for large Corporate Companies. At this time, she was given the golden opportunity to plan her own wedding when the Man of Her Dreams proposed. Since then she has done numerous weddings and events working alongside some of the best vendors the industry has to offer.

ABOUT THIS PACKAGE

It's impossible to just show up on the wedding day to coordinate everything. We typically start the wedding day timeline about two months before (earlier if requested). This package typically has at least 25 hours between meetings, finalising details, making a timeline, configuring vendors, and more. This means you can sit back and enjoy the wedding that you spent your time planning! We will be there to ease your mind and make sure the day goes smoothly.

ON THE DAY COORDINATION

INCLUDES

- Final meeting, preferably at the venue, before the big day to go over the details such as floor plan and how you would like things set-up on the wedding day.
- Coordinate your wedding day from start to finish ensuring that every last detail is taken care of (breakdown & pickups). We will stay onsite until the very end and do a complete handover to the venue manager. Up to 8 hours of coordination. Includes one assistant on the wedding day.
- Develop detailed wedding day timeline, typically with what time and where the girls are getting hair and makeup done and going all the way through the end of the reception, and then get a copy to the vendors so all are on the same page.
- Confirm all vendors a week before the wedding day to make sure they know where to be and when.
- Keep a list of all vendor contacts / phone numbers in case of emergencies.
- Make sure all vendors have our phone #'s (and we have theirs) and direct them to call us on the wedding day, rather than the couple or their parents, so you can relax and enjoy the day.
- Organize a rehearsal making sure everyone knows what they are doing and what order they are to walk in. Additional travel costs may apply.
- Transport all items (guest book, programs, vendor payments, etc) from rehearsal to ceremony to reception sites and stay all the way through the end of the reception (up to 8 hours on the wedding day unless otherwise agreed upon).

- Provide wedding day emergency kit (including sewing kit, glue gun, safety pins and MUCH more).
- Pin all boutonnieres and corsages on selected people where social distancing allows
- Coordinate the bridal party to get them to the ceremony and make sure the ceremony runs smoothly.
- Direct guests to the cocktail party
- Assemble bridal party for introductions
- Ensure DJ / band can pronounce bridal party names correctly.
- Keep the reception moving and the DJ / band on track (and make sure they don't play the songs and dances you want, and not the ones you don't want).
- Act as your point of contact during the day to coordinate with vendors to make sure the keyproviders (usually the photographer, DJ / band, and caterer) are kept informed of when things will happen during the reception so that everyone is on the same page.
- Help pack up items to be taken home such as gifts, cake topper, extra favours, centrepieces, marriage license so nobody has to worry about gathering these items.
- Handle other typical items involved in the wedding day.

EXCLUDES

- Additional hours may be purchased for additional meetings or services at R350 per hour.
